

Report - Synchronised/ Artistic swimming 2019

Within our region we have Chelmsford City Swimming Club-Artistic Swimming (CCSC)Section,Brentwood Synchro (BS), Clacton Synchronised Swimming Club (CS), and Colchester Oysters (CO).

Currently there is not a county competition within Essex County however our clubs are developing and progressing through the pathway set in the artistic swimming/ synchronised swimming community.

Clubs compete at regional competitions at East Region competing with clubs from Hertfordshire, Suffolk and Norfolk.

Age Group- These sections are determined by the grade level swimmers hold and if they have hit the target grade for their age group. These vary depending on region and national event.

Solo event- This is where a swimmer will Synchronised with the music and convey the mood of the piece.

Duet event- This is where two swimmers Synchronised to the music and each other. Within these you can find partner lifts and joining movements.

Novice event-

This is for swimmers who fall out of the "age group" and allows swimmers to continue competing in a Figures competition.

Combination Routines- Where swimmers are group together with teams consisting of between 6-10 swimmers. They are group both with age and grade. The age groups are 12 and under, 13-15, 15 and under, 13-18 and 15-18yr.

They are split into divisions which is the grade element. Division 1 for 12 and under hold grade 0- grade 2 Division 2 are grade 2+.

All other age groups are Division 1 grade 0-grade 3 Division 2 grade 3+.

Below is a demonstration of the success our county clubs have achieved at regional level.

9th Feb 2019 results from East Region
