

Due to an approaching retirement, Woodham Ferrers Swimming Club is looking for a fully qualified L2 Coach to join us on a self-employed basis. The ideal applicant should be passionate about swimming and would benefit from a competitive background. Applicants should be enthusiastic, experienced and fully committed to developing all our squads.

The role will encompass approximately 12 swim sessions per week, paid hourly. This will include early morning and evening sessions including a Sunday evening. Accompanying teams and swimmers to competitions including the Essex Mini League, Essex Swim League and other events is also part of the role, although cover can be provided if needed.

There will be a requirement to carry out some administration to undertake the role, i.e. maintain registers and other records, provide input/advice to the club committee as requested and support the selection of teams for gala events.

We are an expanding club in its early competition development and already have County and Regional qualifying swimmers. We also have a small competitive Masters presence and several competing triathletes.

We have a strong and supportive committee with a qualified team of teachers to assist you in your role. The existing Head Coach will also be on hand to assist in a smooth transition and handover.

If you are interested in the role, please forward a full C.V. outlining your experience to:
