

2026 Membership Fees – Swim England, Region, and County

It has been agreed that each Region/County would communicate the fee levels to the clubs in their county.

All fees will be due by 28 February 2026 based on the membership data as at 1st January 2026 (you therefore have 2 months to collect and process the data).

The process for all clubs will be the same as last year with a single batch submission being made to Swim England covering all fees due.

Please ensure you read the Swim England membership renewal pack which includes instructions regarding the updating of data during the year (including fees payable for changes).

The fees due in respect of clubs within the County are

Club/Association Fee £50 (London Region only)
